

Canada in the areas of brain injury litigation and trial tactics. He has authored numerous articles, and has been featured in print and broadcast media. He was past chairman of the Association of Trial Lawyers of America's National Motor Vehicle and Premises Liability Section (National). Gordon was a pioneer in the area of brain injury litigation, is a member of the board of trustees of the New Jersey Brain Injury Association, and has been listed in *Who's Who in America*. He was named one of the Ten Leaders of Personal Injury and Trial Law 2003-2004 for northern New Jersey, and one of the Ten Leaders for Civil Trial Law 2004-2005 by *Digital Press International*.

Senior partner and brother Michael Gordon is one of the most successful U.S. plaintiffs environmental lawyers. For more than 25 years he has been recognized for his outstanding results in environmental cases, in which he obtained hundreds of millions of dollars in compensation. Gordon is the leading New Jersey environmental attorney representing citizens, municipalities and environmental groups confronted with environmental catastrophes. He currently represents the state of New Jersey as designated trial counsel for the removal of dioxin contamination from the Passaic River. *Digital Press International* selected Gordon as one of the Ten Leaders in New Jersey for Environmental Law for 2003 and 2004, and he has also received the Association of Trial Lawyers of America — NJ Gold Medal Award. As environmental consultant to the TV show *West Wing*, his 2003 episode received the award for Best TV Drama Promoting Environmental Awareness.

**G**ordon & Gordon represents cases literally "ripped from the headlines." The firm was a member of the Tobacco Litigation Team representing the state of New Jersey in the \$7.6 billion tobacco-industry settlement. Gordon & Gordon has represented the victims of the 1986 Dupont hotel fire in Puerto Rico, the Pan Am 103 Lockerbie, Scotland, air disaster, and has obtained numerous multi-million dollar settlements for environmental contamination and medical monitoring. "We handle these cases because of our unique experience and dedication to representing injured victims," says senior partner Michael Gordon. Harrison J. Gordon and Michael Gordon are recipients of a Martindale-Hubbell "AV" rating, the high-

est possible rating for law firms, and both attorneys are members of the prestigious Million Dollar Advocates Forum.
